PERSONA 2

Parent Planning a Family Vacation

Sarah Johnson

Parent Planning a Family Vacation

Age: 38
Education: BBA, Marketing
Hometown: Chicago, USA
Family: Married, two kids (7 & 10)
Occupation: Marketing manager

“I want my family to enjoy the trip without rushing, walking too much, or missing breaks.”

GOALS

- Find activities for kids and adults
- Keep each day comfortable and flexible
- Reduce travel between attractions

FRUSTRATIONS

- Generic plans pack in too many activities
- Kids get tired on long walks
- One delay derails the whole day

What our app must provide: Family-friendly filters · Meal & rest breaks · Easy re-planning

Sarah plans the family's one big trip each year, juggling two kids with different energy levels and a partner who hates rushing. She needs a realistic, flexible plan with built-in breaks that she can adjust on the fly when the day runs late.
